

WHAT'S IN & WHAT'S OUT

CONCENTRATES & CORDIALS

- **Concentrated fruit or vegetable drinks** are products that are intended to be diluted and these containers are not accepted in any size.
- **Cordials and syrups** are also intended to be diluted and these containers are not accepted in any size.
- **Concentrated fruit drinks and cordials** will both have an indicator on the pack such as "Makes up to 2L", this makes them easy to identify.
